6. [] Talked with Mary Rita Robbins, on the staff of the Senate Aeronautical and Space Sciences Committee, about our destroying extra copies of some of our old testimony before the combined Space and Preparedness Committees. With her agreement we will do this, checking with her in each instance to make certain that her records and ours are the same.

We are retaining copy number 1 of the Director's testimony of 29 January 1960 and destroying copies 2 through 6.

We are also retaining copy number 1 of the original transcript of the Director's testimony of 24 February 1960 (which had been incorrectly bound by the printers) and copy number 1 of the transcript which was corrected. We are destroying copies 2, 3, 8, and 9.
